

Post Doctoral Fellowship Application

Deadline: Open submission

American Association of Nurse Anesthetists Foundation

Phone: 847-655-1170

foundation@aana.com

AANA Foundation Post Doctoral Fellowship:

This full-time research position will provide an in-depth mentored training experience. Through a combination of didactic learning and mentoring, the fellowship will include oversight of research study design, preparing research study protocols and materials, grant writing, assisting with data collection and analysis, developing scientific manuscripts as lead author or co-author, disseminating research findings at conferences, and performing other related duties. Excellent oral and written communication skills, and ability to work as a team member are essential. It is expected that applicants will submit for external funding.

Eligibility/Criteria for Selection:

The applicant must be an AANA member. AANA Foundation Board of Trustees are ineligible during their terms of office. The Post Doctoral Fellowship Program is open to nurse anesthetists who have completed a doctoral program (PhD) within the last five years.

The AANA Foundation Board of Trustees will review the applications, and select the recipient based on the degree to which the following criteria have been met:

1. Official transcripts from all institutions of higher education attended.
2. Curriculum Vitae (with links to publications).
3. Three letters of recommendation, one of which is from a representative of the applicant's dissertation committee. Letters should address the applicants' scholarly abilities, area for growth, and future potential in academia and emailed directly from the recommender to foundation@aana.com.
4. Cover letter (2-5 pages single-spaced) that describes previous research experience, goals for postdoctoral training and career, focus/area of research and a faculty member who could potentially serve as mentor, new areas of growth desired during mentorship, and an idea for potential research project to carry out during the postdoctoral training (feasible to conduct in about two years). Applicant should highlight their skills and potential contributions to a research team.
5. Post Doctoral Fellowship application below

Selection of Recipient:

Completed applications are reviewed and selected by the AANA Foundation Board of Trustees.

Application Directions:

Complete and submit the application, cover letter, curriculum vitae, and transcripts in one email to foundation@aana.com with "Post Doctoral Fellowship Application" indicated in the subject line. Letters of recommendation should be sent directly from the recommender to foundation@aana.com.
