# AANA Insurance Services

Caring has its risks. Let us help safeguard your career.

For over 30 years, AANA Insurance Services has been specializing in malpractice insurance options to fit the ever-changing practice needs of our members. In fact, no other insurance agency provides a wider range of coverage options for CRNAs.

### Protection You Deserve from a Name You Can Trust

Over 90% of medical malpractice claims are settled outside of court\*. If you rely solely on the coverage provided by your employer, you could end up taking the fall for a claim you had little to no involvement in. What's worse is this could happen without your knowledge.

If it is in the best interest of your employer, the hospital or facility, a claim can be settled without your consent which can tarnish your reputation or even affect your ability to practice.

Fortunately, AANA Insurance Services offers the personal protection of a policy that supplements the coverage provided by your employer.

This remarkably comprehensive yet affordably priced policy protects you with your own set of limits of liability, a dedicated attorney representing your interests, unlimited defense costs, and pure consent to settle—which means you decide if and when a claim is settled under your policy.

### Unrivaled Protection and Service

AANA Insurance Services, with the backing of Medical Protective (MedPro), the highest-rated and longest running provider of professional liability coverage for healthcare providers, has a coverage option for virtually any practice setting and is the only insurance agency that helps to advance the nurse anesthesia profession.

As a wholly-owned subsidiary of the AANA, AANA Insurance Services is a resource to all members. For more information, contact our dedicated call center by phone at (800) 343-1368, email [insuranceinfo@aana.com](mailto:insuranceinfo@aana.com), or visit [AANA.com/Malpractice](http://AANA.com/Malpractice).

# Reward yourself with special offers just for AANA members.

With discounts on student loan refinancing and mortgages. Laurel Road offers a range of lending solutions for your needs.

## Member Benefits

### 0.25% rate discount when refinancing student loans<sup>1</sup>

Discover your personalized rate options online in only a few minutes—with no impact to your credit score!<sup>2</sup>

### 0.25% rate discount on mortgage lending products<sup>3</sup>

Secure, online home loans with clear options, clear fees, and the human support you need, when you need it.

To enroll in these offers, go to [laurelroad.com/AANA](https://laurelroad.com/AANA)

## NEW! Student Loan Cashback<sup>SM</sup> Credit Card Redeem 2% cashback toward any eligible student loan.<sup>5</sup>

Introducing the first card that lets you redeem 2% cashback toward your student loans with any eligible servicer.<sup>4</sup> Chip away at your student loans with every dollar you spend.

Notice: This is not a commitment to lend or extend credit. Conditions and restrictions may apply. All credit products are subject to credit approval. Mortgage products are also subject to collateral approval. Mortgage products are available in all 50 U.S. states and Washington, D.C. Hazard insurance and, if applicable, flood insurance are required on collateral property. Actual rates, fees, and terms are based on those offered as of the date of application and are subject to change without notice.

**IMPORTANT INFORMATION:** The U.S. Department of Education recently announced a student loan debt relief plan which includes forgiveness of up to \$10,000 for qualifying federal student loans and up to \$20,000 for qualifying Pell Grant recipients. For more information, please visit: <https://studentaid.gov/debt-relief-announcement>. Please note that if you refinance qualifying federal student loans with Laurel Road, you may no longer be eligible for certain benefits or programs and waive your right to future benefits or programs offered on those loans. Please carefully consider your options when refinancing federal student loans and consult [www.studentaid.gov](https://www.studentaid.gov) for the most current information.

- The 0.25% AANA member interest rate discount is offered on new student loan refinance applications from active AANA members. The AANA discount is applied to your monthly payment and will be reflected in your billing statement. The AANA member discount is only available at loan origination and at no other time, and will go into effect on the date the loan funds are disbursed. This offer cannot be combined with any other discounts from Laurel Road affiliated partners or employers.
- Checking your rate with Laurel Road only requires a soft credit pull, which will not affect your credit score. To proceed with an application, a hard credit pull will be required, which may affect your credit score.
- The interest rate discount of 0.25% is offered to borrowers that are an active AANA member at the time of closing. This 0.25% interest rate discount cannot be combined with other offers, except the Rewards Program. For Fixed-rate mortgages, the 0.25% rate discount is a permanent interest rate reduction that will be reflected in the Promissory Note interest rate. For adjustable-rate mortgages, the 0.25% rate discount will apply to the initial Fixed interest rate period and will be reflected in the maximum amount the interest rate can increase over the term of the loan, subject to the minimum interest rate that may be charged per the terms of the Promissory Note.
- You will earn 2.0% in Cashback Rewards for each \$1 spent on eligible Purchases if you redeem your Cashback Rewards towards your Student Loan with an eligible servicer. This equates to \$0.02 in Cashback Rewards, for each \$1 spent. For example, if you spend \$100, you will earn \$2.00 in Student Loan Credit. You will earn 1.0% in Cashback Rewards for each \$1 spent on eligible Purchases if redeemed for a statement credit. This equates to \$0.01 in Cashback Rewards, for each \$1 spent. For example, if you spend \$100, you will earn \$1.00 in Cashback Rewards. Cashback is awarded based on eligible credit card purchases excluding transactions such as cash advances of any type, balance transfers, convenience check transactions, overdraft protection transfers and quasi-cash transactions.

# Advocacy

## AANA promotes our profession at the local, state, and national level.

We keep the value of CRNAs at the forefront with an ongoing national public relations campaign to educate healthcare administrators, legislators, and the public of your invaluable contributions to the U.S. healthcare system.

### CRNA Week

National CRNA Week is our annual celebration of anesthesia patient safety. We call attention to more than 61,000 Certified Registered Nurse Anesthetists and students — who safely and cost effectively provide approximately 43 million anesthetics each year.

### Raise Your Voice as a CRNA and Advocate for the Very Best

The AANA is a determined advocate for CRNAs concerning issues such as patient safety, access to quality healthcare services, scope of practice, educational funding, reimbursement, and many other legislative and regulatory matters in Washington, D.C., and in states across the country.

- Our efforts encompass federal and state government affairs activities including advocacy and lobbying on behalf of the profession.
- Our national PR campaign provides ongoing education for healthcare administrators, legislators, and the public about the invaluable contributions of CRNAs to the U.S. healthcare system.

### CRNA-PAC

- The AANA Federal Government Affairs Department operates the largest Political Action Committee (PAC) in nursing. They advocate for our membership by reviewing numerous federal regulatory and legislative proposals affecting CRNAs.
- CRNA-PAC educates federal legislators about the value CRNAs bring to the healthcare system, advocates for policies that benefit the nurse anesthesia profession, and helps to elect/re-elect CRNA champions to the U.S. House and Senate.
- The AANA State Government Affairs Division reviews over 11,000 state legislative bills and regulatory proposals annually.
- AANA provides assistance to state associations for government relations programs and projects. This includes assistance with written and oral testimony, development of fact sheets, project strategy, and facilitating grassroots lobbying efforts.

## AANA Foundation

**Knowledge, integrity, excellence, and stewardship.**

**Established in 1981, the AANA Foundation is a charitable organization devoted to anesthesia research, education, and development.** The Foundation serves as the philanthropic arm of the American Association of Nurse Anesthetists. The Foundation funds scholarships, doctoral fellowships, post-doctoral fellowships, research grants, health policy research, student "State of the Science" general and oral poster sessions, and doctoral mentorships. Each year the AANA Foundation presents the John F. Garde Researcher of the Year, Rita L. LeBlanc Philanthropist of the Year, Advocate of the Year, and Janice Drake CRNA Humanitarian of the Year Awards.

### A Commitment to Research

One of the goals of the AANA Foundation is to support new and seasoned investigators in nurse anesthesia through grants, fellowships, and post-doctoral fellowships. Programs are designed to develop researchers in nurse anesthesia. The AANA Foundation sets a broad range of research objectives that includes the following areas:

- Healthcare Policy
- Science of Anesthesia
- Education Practice/Clinical
- Leadership

### RISE Above—Research in Safety and Effectiveness

Research to validate and strengthen the nurse anesthesia profession is a requirement. The AANA Foundation's campaign to RISE Above raises funds and supports research studies to advance the profession and improve patient safety. This will inform healthcare policy affecting patient care processes and patient/provider interactions. Ultimately, the research will educate the spectrum of healthcare stakeholders of the value and quality that CRNAs bring to their patients. Without this research, proving the value of CRNAs is difficult. We welcome you to join us as we RISE Above to further advance and protect your practice and our future.

### AANA Annual Fund

Donations to the AANA Annual Fund Campaign directly support the nurse anesthesia profession by supporting CRNA and SRNA research and education.
